THE CHINA REVIEW. PUBLISHED BI-MONTHLY TENTH YEAR

HIS Review, which was intended to meet the wants of many students of Chinese caused by the discontinuance of ' Notes and Queries on China and Japan, has reached its Fourteenth Volume. The Review discusses those topics which are uppermost in the minds of students of the 'Far East' and about which every intelligent person connected with China or Japan is desirous of acquiring trustworthy information. It inclades many interesting Notes and original Papers on the Arts, Sciences, Ethnology, Folklore, Geography, History, Literature, Mythology, Natural History, Antiquities, and Social Manners and Customs, etc., etc., of China, Japan, Mongolia, Tibet, and the Far East generally. Recently a new departure has been taken, and the Review now gives papers on Trade, Commerce, and Descriptive notes of Travel by well-known writers. It was thought that by extending the scope of the Keview in this direction,

The Review department receives special attention, and endeavours are made to present a careful and concise record of Literature on China etc., and to give critiques embedying sketches of the Most recent works on such topics.
